Who can participate as sellers in the fundraiser?

Any registered non-profit along with its members is eligible to participate as sellers.
Examples: charities, sports teams,

Why are lymphatic products a good way to give back?

Lymphatic products are a meaningful way to give back because they represent self-care that truly supports the body. Caring for the lymphatic system can make a real difference in overall health and wellness, especially for people who spend long hours on their feet, experience circulation challenges, or struggle with inflammation.

Is there a minimum order quantity?

There is no minimum purchase required.

How is payment accepted?

Payments for orders are done via e-transfer to lymphology.info@gmail.com.

What information is important regarding order shipping?

- Orders will ship/deliver 7 business days after full payment is received.
- Flat rate shipping is applied to each fundraising order and is \$40
- Local orders (within Windsor-Essex County) are eligible for free delivery per fundraising order.
- Shipping/delivery will be directed to primary organizer. Organizer will be responsible for distributing products.
